PROVIDING FOR CONSIDERATION
OF RESOLUTION AGREEING TO
CONFERENCE REQUESTED BY
SENATE ON H.R. 2990, QUALITY
CARE FOR THE UNINSURED ACT
OF 1999

Mr. GOSS. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 348 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 348

Resolved, That the House disagrees to the Senate amendment to the bill (H.R. 2990) to amend the Internal Revenue Code of 1986 to allow individuals greater access to health insurance through a health care tax deduction, a long-term care deduction, and other health-related tax incentives, to amend the Employee Retirement Income Security Act of 1974 to provide access to and choice in health care through association health plans, to amend the Public Health Service Act to create new pooling opportunities for small employers to obtain greater access to health coverage through HealthMarts; to amend title I of the Employee Retirement Income Security Act of 1974, title XXVII of the Public Health Service Act, and the Internal Revenue Code of 1986 to protect consumers in managed care plans and other health coverage; and for other purposes, and agrees to the conference requested by the Senate thereon.

The SPEAKER pro tempore. The gentleman from Florida (Mr. GOSS) is recognized for 1 hour.

Mr. GOSS. Mr. Speaker, for the purposes of debate only, I yield the customary 30 minutes to the gentlewoman from Rochester, New York (Ms. SLAUGHTER), my colleague and friend on the Committee on Rules, pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for the purpose of debate on this subject only.

This resolution before us, Mr. Speaker, does two things. It provides that the House disagrees with the Senate amendment to the bill, H.R. 2990, the Quality Care for the Uninsured Act, and it provides that the House agrees to the conference requested by the Senate.

While this may seem arcane or inside-the-Beltway talk to folks watching at home, the translation is that it allows us to move the process forward on health care reform. That is what we are doing, going forward on health care reform as promised. We can go to conference with the Senate to try to resolve our extensive differences and hopefully to improve the lives of our constituents if we can pass this resolution.

Because H.R. 2990 was not reported by a committee of jurisdiction, no motion to go to conference could be authorized by a committee. While these
